Attn: Mark Vanselous

Dear Mr. Vanselous,

We would like to take this opportunity to introduce ourselves to your firm. Allied Environmental Services is a full service environmental company serving the industrial community in the removal, transportation and disposal of Petroleum Contaminated Soil. We are remediation contractors who provide quick and dependable services at competitive prices. We pride ourselves on the accuracy of our paperwork and as important, our on site supervision has given us the reputation of being "trouble free."

Our fleet of trucks brings your soil to recycling facilities that produce construction products. Upon completion, the Certificates of Recycling and/or destruction will be provided.

The advantages of using Allied to remove and dispose of your soil are:

QUICK & DEPENDABLE SERVICE We can arrange pickup of soil within one week of receiving your lab reports.

COMPETITIVE PRICING We compare favorably to landfill prices and recycling is environmentally and socially preferred.

100% ACCURATE BILLING Every truck is weighed after loading to ensure correct billing.

SUPERVISION Every job is supervised On-Site by an Allied Representative to make sure that your job is done perfectly.

Please feel free to contact us for prices or any further information at the below phone number.

Thank you for your time and consideration. We look forward to doing business with you.

Very truly yours,

Steve Sanders
